

Special Interest Groups 2017 - 2018

The Special Interest Groups (SIGs) within our organization encompass a wide variety of activities that reflect the diverse interests of our members. These groups give members opportunities to meet during the day or evening for crafts, games, social or out door activities. Any member, upon approval by the Board, may start a SIG of their choosing and interest. An RSVP is required to attend any SIG event.

American Mah Jongg

American Mah Jongg is played with four players using tiles stamped with Chinese symbols. The goal of the game is to be the first to match one's tiles to a specific hand by picking and discarding, much like in the game of Gin Rummy. Come to learn the game and to play.

Art Hopping

The group enjoys visiting various galleries and exhibits in the Seacoast area and Massachusetts.

Being New Together

Moving to a brand-new area is challenging, but it is easier if you do it with the support of people going through the same thing. This SIG is primarily for people who have recently moved to the Seacoast, although anyone is welcome. The idea is to create a group of that is both informational and social. If you are new to the area, new to Newcomers or just interested in meeting new people and are willing to share your knowledge of the area, please consider joining us.

Fabrics and Fibers

The Fabrics and Fibers SIG is intended for members to gather and to work on personal projects while sharing ideas and techniques. From time to time, we may decide, as a group, to work on a common project or to complete some charity project.

Film Fans

We attend independent, foreign and Hollywood movies at area theaters. Sometimes, we follow the film at a local restaurant for coffee.
